- The greatest need is for a 1-bedroom home (with 17 households requesting this property type).

Marrick residents

- Less than 7.9% of residents in Marrick are aged under 16. Having homes that young people can afford to rent, and buy is key to ensuring that the village has a thriving and sustainable future.
- Over 26.3% of Marrick residents are aged over 65.
- Census data shows that more than 85.6% of homes are under-occupied by their existing residents.
- According to its most recent Ofsted report, Reeth Community primary school has 69 pupils on its roll, compared to a total capacity of 56 (which is much smaller than the national average of 276 pupils). Building new affordable homes will provide accommodation for local families enabling them to stay in the village, supporting the school as well as other local businesses and services.
